RE: _____

Dear Responsible Party:

Please be advised, effective January 1, 2021, the facility's daily rates will increase as follows:

Semi Private Pay	\$200.00/daily
Single Private Pay	\$225.00/daily
Deluxe Private Pay	\$250.00/daily

This rate change is due to the annual increase in the Medicare Co-Insurance rate which is also effective each January. Therefore, based on the history of our increases, we project increasing this rate January 1, 2021 which will benefit our residents/responsible parties with managing budgeted needs.

If you have any questions, please give me a call.

Sincerely,

Sheri P Boyles, LNHA
